Veterans Affairs

Contact my Tulsa office for help in filing claims, determining eligibility for coverage or to learn about medical coverage policies within the Veterans Administration.

Social Security

My staff and I can help resolve problems you may be having with the Social Security Administration such as delayed payments, application status and procedures or Supplemental Security Income (SSI). Call my Tulsa District Office for assistance.

Medicare

Contact any of my offices for information on the Medicare Prescription Drug program, including eligibility, coverage and reimbursement disputes. I recently voted against a bill that would place the federal government in control of the Medicare Prescription Drug programs seniors participate in and jeopardize seniors' ability to choose the Medicare plan that best fits their needs.

Because of competition created by the new Medicare drug plan, on average, premiums have dropped from \$37 to \$22 per month for seniors. Seniors have also seen a decrease in their average monthly prescription bill, with over half of them saving an average of \$1,200 a year.
